#### Checklist for One Day Prior to Examination:

01. School Registered with us (with more than 20 students) is an Examination Centre for students registered from the respective school. In case, if you do not meet the Criteria of Examination Centre (i.e. more than 20 students) your school might have been merged or assigned some individual students in consultation with our State Coordinator to make it an Exam Centre.
02. There are two dates for the examination viz. 25<sup>th</sup> and 28<sup>th</sup> November, 2018.
03. Inform **students to be present** in school **before 10:00AM on the day of examination**.
04. It is compulsory for students to attend the exam within school campus. As their Lat-Long coordinates will be mapped and if not found according to the rest of the student's location there Answer Sheets will not be evaluated.
05. You have to **inform the students to come to school** with their **own devices and internet connectivity** on the **date you have opted** to conduct the exam.
06. If the school is providing internet facility, then, ensure that there is sufficient bandwidth for wifi because, lesser bandwidth will leads to problem in connecting server as well as mobile will get disconnected with server. It is because of traffic.
07. In the case of Desktop / Laptop please **make sure that firewall settings or antivirus settings do not block the access of the exam app to the VVM server**.
08. In case the **school itself is providing** the **Lab Facility/Infrastructure** please **make sure that you have 1:1 ratio of student and devices** (computer/laptop/tablet) **connected with a high speed internet** and appropriate power back-up to conduct the exam. School Exam Coordinator is requested to install the **VVM Exam Application after 02:00pm on 24<sup>th</sup> November, 2018 (for 25<sup>th</sup> November, 2018) and on 27<sup>th</sup> November, 2018 (for 28<sup>th</sup> November, 2018) respectively**.  
**Note:** *Download the Application once, copy it in the Pen Drive and install in other Desktops/Laptops also as the same application can be installed on every device. There is no need to download application separately in every device.*
09. In the case of Desktop/Laptop App please make sure that the **screen resolution is set to 1270\*700 or above**.
10. In case the students are coming with their own devices and internet connectivity ensure that they have **installed the VVM Exam Application made available after 02:00pm on 24<sup>th</sup> November, 2018 (for 25<sup>th</sup> November, 2018) and made available after 02:00pm on 27<sup>th</sup> November, 2018 (for 28<sup>th</sup> November, 2018)**.
